Dear Parent(s)/Carer(s)

### Year 11 Leavers' Prom

It has been a busy start to the new academic year with year 11 students receiving their first set of mock examination results, and staff working hard to adapt their planning to meet the needs of all in the final months for your child(ren) at Whitcliffe Mount school so that all can achieve their personal best. Achieve sessions after school are getting busier and busier, and many students are working hard to consolidate their knowledge and prepare for the next set of mock exams and the final examinations and coursework deadline as we move towards Christmas. We thank all the parents and students that attended our year 11 progress evening where we shared details of what the timetable looks like for our year 11's, specific details about core subjects (English, maths and science), and the wealth of support and guidance on offer from both an academic and pastoral perspective. Our aim remains to support all students through what will be a busy yet exciting period in their lives as they plan for their futures.

One of the ways that we like to celebrate the 'end of an era' with our year 11's is with our annual prom. This is always well attended, with almost every student and large numbers of staff in attendance last year. You may already be aware; we are proposing that the Year 11 Leavers Prom is at the end of June 2025. An invitation letter with a confirmation of date and further details will soon follow. I must make you aware that a student's place at Prom is by invitation only and students' attitude to learning, behaviour points and attendance is a factor when considering their place at Prom.

All students have been reminded of this in their Assemblies and I will continue to remind them about this. We are now 9 weeks into Year 11 and therefore all students are extremely clear on the schools' expectations. Attitude to learning, behaviour and attendance will be closely monitored for each student from now until the end of the Academic Year.

I look forward to planning an amazing leavers prom for the Class of 2025 and to celebrating the successes of your child's hard work and time at WMA!

Yours faithfully,

Miss Johnson  
Head of Year 11
