

12th February 2025

Dear Parent/Carer

Year 11 Achieve + Holiday sessions

Dear Parents and Carers,

We will be offering revision sessions during February half term for Art, Maths and Science as well as exploring the sessions we can offer during the Easter holidays. Moreover, we will be offering additional Achieve+ sessions within the six-week exam window. More on these opportunities will be communicated in due course.

We are continuing to **offer Achieve sessions after school** and the programme can be viewed on our website here: [Whitcliffe Mount, A SHARE Academy - Learning Beyond the Classroom](https://www.whitcliffemount.co.uk/learning-beyond-the-classroom)

To confirm your child's attendance at the above sessions, please click on the link below and complete a short form.
<https://forms.office.com/e/xSVK3XWqNf>

Students are not required to wear uniform, but other academy rules will apply as normal. To ensure this session has as much impact as possible, any students who do not meet the required behaviour expectations will be asked to leave.

The Art session will run for the full day from 9.30am – 3.00pm and will include a half an hour lunch break. Your child will need to bring their own lunch/refreshments, as the catering team will not be on site during the holidays. Students will be supervised throughout this break by a member of staff.

The Maths session will run from 9:30am-12:00pm. Science sessions will run as a morning and an afternoon session 9:30am to 12:00pm for Trilogy science students and 12:30pm – 3:00pm for separate science students.

The academy doors will be open from 9.15am and 12:15pm. To avoid disruption once the sessions has started, students will not be allowed to join the session if they arrive more than 15 minutes after the session start time; please, therefore, ensure your student arrives promptly for the given session start time.

We appreciate your support in encouraging your child to attend these sessions, enabling them to complete coursework for the intended deadline and to be well prepared for their summer exams.

Please do not hesitate to contact school if you require any further information.

Yours faithfully,

Mr Joseph Waddington
Associate Assistant Headteacher – Personal Development
