

22nd October 2025

Dear Parents and Carers of Year 11 Students,

GCSE Science Achieve Intervention Sessions and Revision Resources

As our Year 11 students approach their final GCSE examinations, we are keen to ensure that they have every opportunity to achieve their full potential. To support them in their preparation, we would like to share details of the **revision resources** available and our **'Achieve' intervention sessions**.

All Year 11 students have access to a wide range of **revision materials** and subject-specific resources through the school's online platforms — including **the school website, Office 365, SharePoint, and their school email accounts**. These can be easily accessed by scanning the **QR code** in the front of their planners (also included below for convenience).

In addition to independent study, we are running our **'Achieve' intervention sessions in science** every **Wednesday after school from 3:00 – 4:00 pm**. These sessions provide focused support in key areas and are designed to help students consolidate their learning, fill any gaps in understanding, and build confidence ahead of their exams.

A full timetable for the **Achieve sessions** is attached and can also be found in the science folder in the students **SharePoint**. A link to the students SharePoint has been included below for convenience.

[Science SharePoint](#)

We strongly encourage all Year 11 students to take advantage of these sessions and to make regular use of the revision materials provided. **Your encouragement and support at home in helping them attend and engage with these sessions can make a real difference**. Consistent attendance and active engagement in these opportunities will greatly support their preparation for the summer examinations.

Thank you for your continued support in helping your child to achieve their very best. If you have any questions or would like further information, please don't hesitate to contact us.

Yours faithfully,

Mr Simon Reid
Lead Practitioner – Science

Year 11 Achieve Calendar

Date	Topic	Paper	Tick when revised
22-Oct	Cell Biology	Biology paper 1	
29-Oct	No achieve this week – independent study		
05-Nov	Atomic Structure	Chemistry paper 1	
12-Nov	Energy	Physics paper 1	
19-Nov	Organisation	Biology paper 1	
26-Nov	Bonding, structure and properties	Chemistry paper 1	
03-Dec	Energy Changes	Chemistry paper 1	
10-Dec	Electricity	Physics paper 1	
17-Dec	Particle model of matter	Physics paper 1	
24-Dec	No achieve this week – independent study		
31-Dec	No achieve this week – independent study		
07-Jan	Chemical changes	Chemistry paper 1	
14-Jan	Forces	Physics paper 2	
21-Jan	Infection and Response	Biology paper 1	
28-Jan	Quantitative Chemistry	Chemistry paper 1	
04-Feb	Waves	Physics paper 2	
11-Feb	Bioenergetics	Biology paper 1	
18-Feb	No achieve this week – independent study		
25-Feb	The rate and extent of chemical change	Chemistry paper 2	
04-Mar	Atomic Structure and radiation	Physics paper 1	
11-Mar	Organic Chemistry	Chemistry paper 2	
18-Mar	Homeostasis and response	Biology paper 2	
25-Mar	No achieve this week – independent study		
01-Apr	No achieve this week – independent study		
08-Apr	No achieve this week – independent study		
15-Apr	Chemistry of the atmosphere	Chemistry paper 2	
22-Apr	Inheritance, Variation and Evolution	Biology paper 2	
29-Apr	Chemical Analysis	Chemistry paper 2	
06-May	Using Resources	Chemistry paper 2	
13-May	Magnetism and Electromagnetism	Physics paper 2	
20-May	Ecology	Biology paper 2
