January 2026

Dear Parent/Carer,

**Your child's Diphtheria, Tetanus and Polio (DTP) and Meningitis (Men ACWY) is now due**

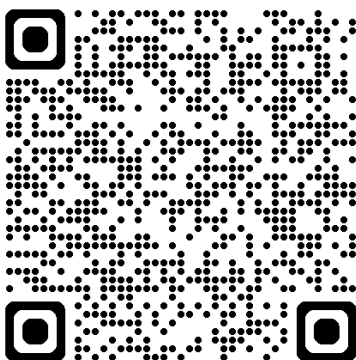

Year 9 DTP and MenACWY vaccines are part of the National Immunisation Programme and are given in school to protect against these diseases. Your child may also be offered the MMR vaccine if they missed one or both doses earlier. For more information and possible side effects, visit: [NHS vaccinations and when to have them - NHS](https://www.nhs.uk/vaccinations-and-when-to-have-them)

**How to consent:** We are coming to your child's school on **Tuesday 3<sup>rd</sup> March 2026**, please ensure that you have submitted a form even if you do not consent, please do this as soon as possible to avoid additional work for the admin team.

If you do not wish for your child to receive either vaccines but do not want to complete the electronic consent, please email us on [LCP.localachildhealth@locala.org.uk](mailto:LCP.localachildhealth@locala.org.uk) with your child's name, date of birth and school attended to advise of the vaccine/s you wish to decline consent for.

Please click the link below or scan the QR code to access the online consent form. You'll need to enter the unique school code which is **149162**

**Important:** If you do not want your child to be vaccinated, please complete the "refusal section" on the form or email us (see above). If no form is received, your child may be assessed by a nurse for Gillick Competence and allowed to self-consent on the day.

If you provide a valid email address, you will receive confirmation once your child is vaccinated, along with advice on common side effects.

If you change your mind or your child's health changes after submitting the form, contact us using the phone number or email above.

**Support with the form:** If you have trouble accessing or completing the online form, please call us using the number above. You can also watch the short video on the link to the consent form to help with completing the form.

Yours faithfully
