Key Stage 3

The Ministry of Unladylike Activity by Robin Stevens

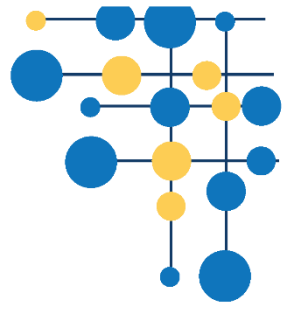

The start of a brand new series from the best-selling Robin Stevens, this book is set at the start of World War II. May and her friend Eric suspect that one of the wealthy Verey family is passing secrets to the Nazis – but which one? A cracking spy mystery, with extra secrets and a murder added for good measure.

Key Stage 4

My Sister the Serial Killer by Oyinkan Braithwaite

If you've ever been annoyed by your own sister or brother's bad behaviour, imagine how poor Korede feels: her sister Ayoola keeps "accidentally" killing her boyfriends, and Korede has to clean up the mess – literally. A darkly funny read about family, loyalty and dangerous choices.
