

Summer Term 24 Recommended Reads

New to the Learning Resource Centre for Summer Term

Sad Ghost Club series by Lize Meddings

Three fantastic new graphic novels, ideal for people feeling a little anxious – or who want to support other people feeling that way. These gorgeous stories are all about friendship, building confidence and finding your happy place.

Five Survive by Holly Jackson

Another best-seller by the author of the hugely successful 'A Good Girl's Guide to Murder' series. In this new thriller, six friends break down at night in the middle of nowhere, only to discover that a hidden sniper wants one of them dead. Secrets will be uncovered as they try to work out who the target is – and survive the night...

All students are encouraged to visit the Learning Resource Centre, to select new reading for pleasure, or for study. Year 7 and 8 students visit at Form Time on a regular basis.

Ms Raby and the LRC team are always happy to help students find books they enjoy, or to buy new titles they request.
