

Achieve+

All Year 11 students are expected in school full time up to and including Friday 7th June.
Study leave starts on Monday 10th June.

When you are in school, you are expected to be in full uniform and behaviour expectations will apply as usual.

- The timetable shows the timings of all the exams and the revision sessions available in an afternoon (3.10pm- 4.10pm) prior to an exam and morning revision / drop-ins on the day of an exam.
- Between 10th June and 19th June (study leave) you will attend ONLY for examinations and/or for revision masterclasses as detailed in the timetable below.

The timetable below details what is available each day of the exam period. It is colour coded as follows:

Attendance is mandatory (required) for all students.
Study leave – attendance is only required for exams and masterclasses.
Attendance is optional for students who study that subject involved.
Targeted session – students will be invited to attend.

- All morning examinations start at **9am** and afternoon exams start at **1pm** – unless otherwise stated.
- During study leave, all students must be in school for **8:30am** for a morning examination and **12:30pm** for an afternoon examination so that registration has taken place and you are in your correct seats ready for a 9am / 1pm start. This is essential as timings are set by the exam boards. Late students cannot be permitted.
